Fieldtrip Policy

Fieldtrips are an accepted part of the curriculum at RRVCS. Fieldtrips can be planned as a classroom event or an all-school event.

Parents must sign a permission form for each specific trip and authorization for medical services. The permission form contains information on the destination, purpose of the trip, and other pertinent information. The signed permission form is to be returned to the classroom teacher.

If parents are invited to go on fieldtrips to assist with supervision of students, only parents of children enrolled at RRVCS are permitted to accompany our students on fieldtrips. Children not enrolled in RRVCS are not permitted to go on RRVCS school fieldtrips (including siblings).

If a student does not participate in a classroom or all-school fieldtrip, they cannot attend school on that day and will be counted as absent.

Staff and parents can provide transportation for fieldtrips. Parents must approve the specific driver for their child for each fieldtrip on the trip permission form.
